

Exciting Happenings at The Danbury

Danbury Connects with the Community

Danbury Broadview Heights will celebrate three years serving our residents, families and the community this year. It has been our pleasure to connect and grow into the vibrant senior community known as “The Danbury”.

Danbury connects with the community!

Memberships in area chambers and support of local senior centers, churches and civic societies create a deep connection to the community. Danbury residents enjoy giving back and have delivered home baked holiday cookies to our local police and fire departments and have performed many community service projects. Visits by Suburban Montessori and Brecksville/Broadview Heights Preschool PTAs and outings to shopping and local restaurants provide enjoyment for everyone.

Danbury is growing!

The expansion and construction of 30 additional apartments is well under way and forecasted to be finished by the end of the year. The addition will include apartments specifically

designed for residents with movement disorders such as Parkinson’s. Specialized exercise programs to improve balance and help prevent falls will benefit all Danbury residents. Reservations are now in progress, so stop by to learn more!

“If you do what’s right in satisfying residents and families, everything else takes care of itself.”

2018 Perfect Survey!

We are proud to have earned a Deficiency Free Annual Survey from the Ohio Department of Health. Executive Director Scott DePriest notes “Resident and family satisfaction is what drives our staff to a perfect survey. It goes beyond regulations...if you do what’s right in satisfying residents and families, everything else takes care of itself.

We thank our residents, families, staff and the community for making Danbury “Home” every day!
